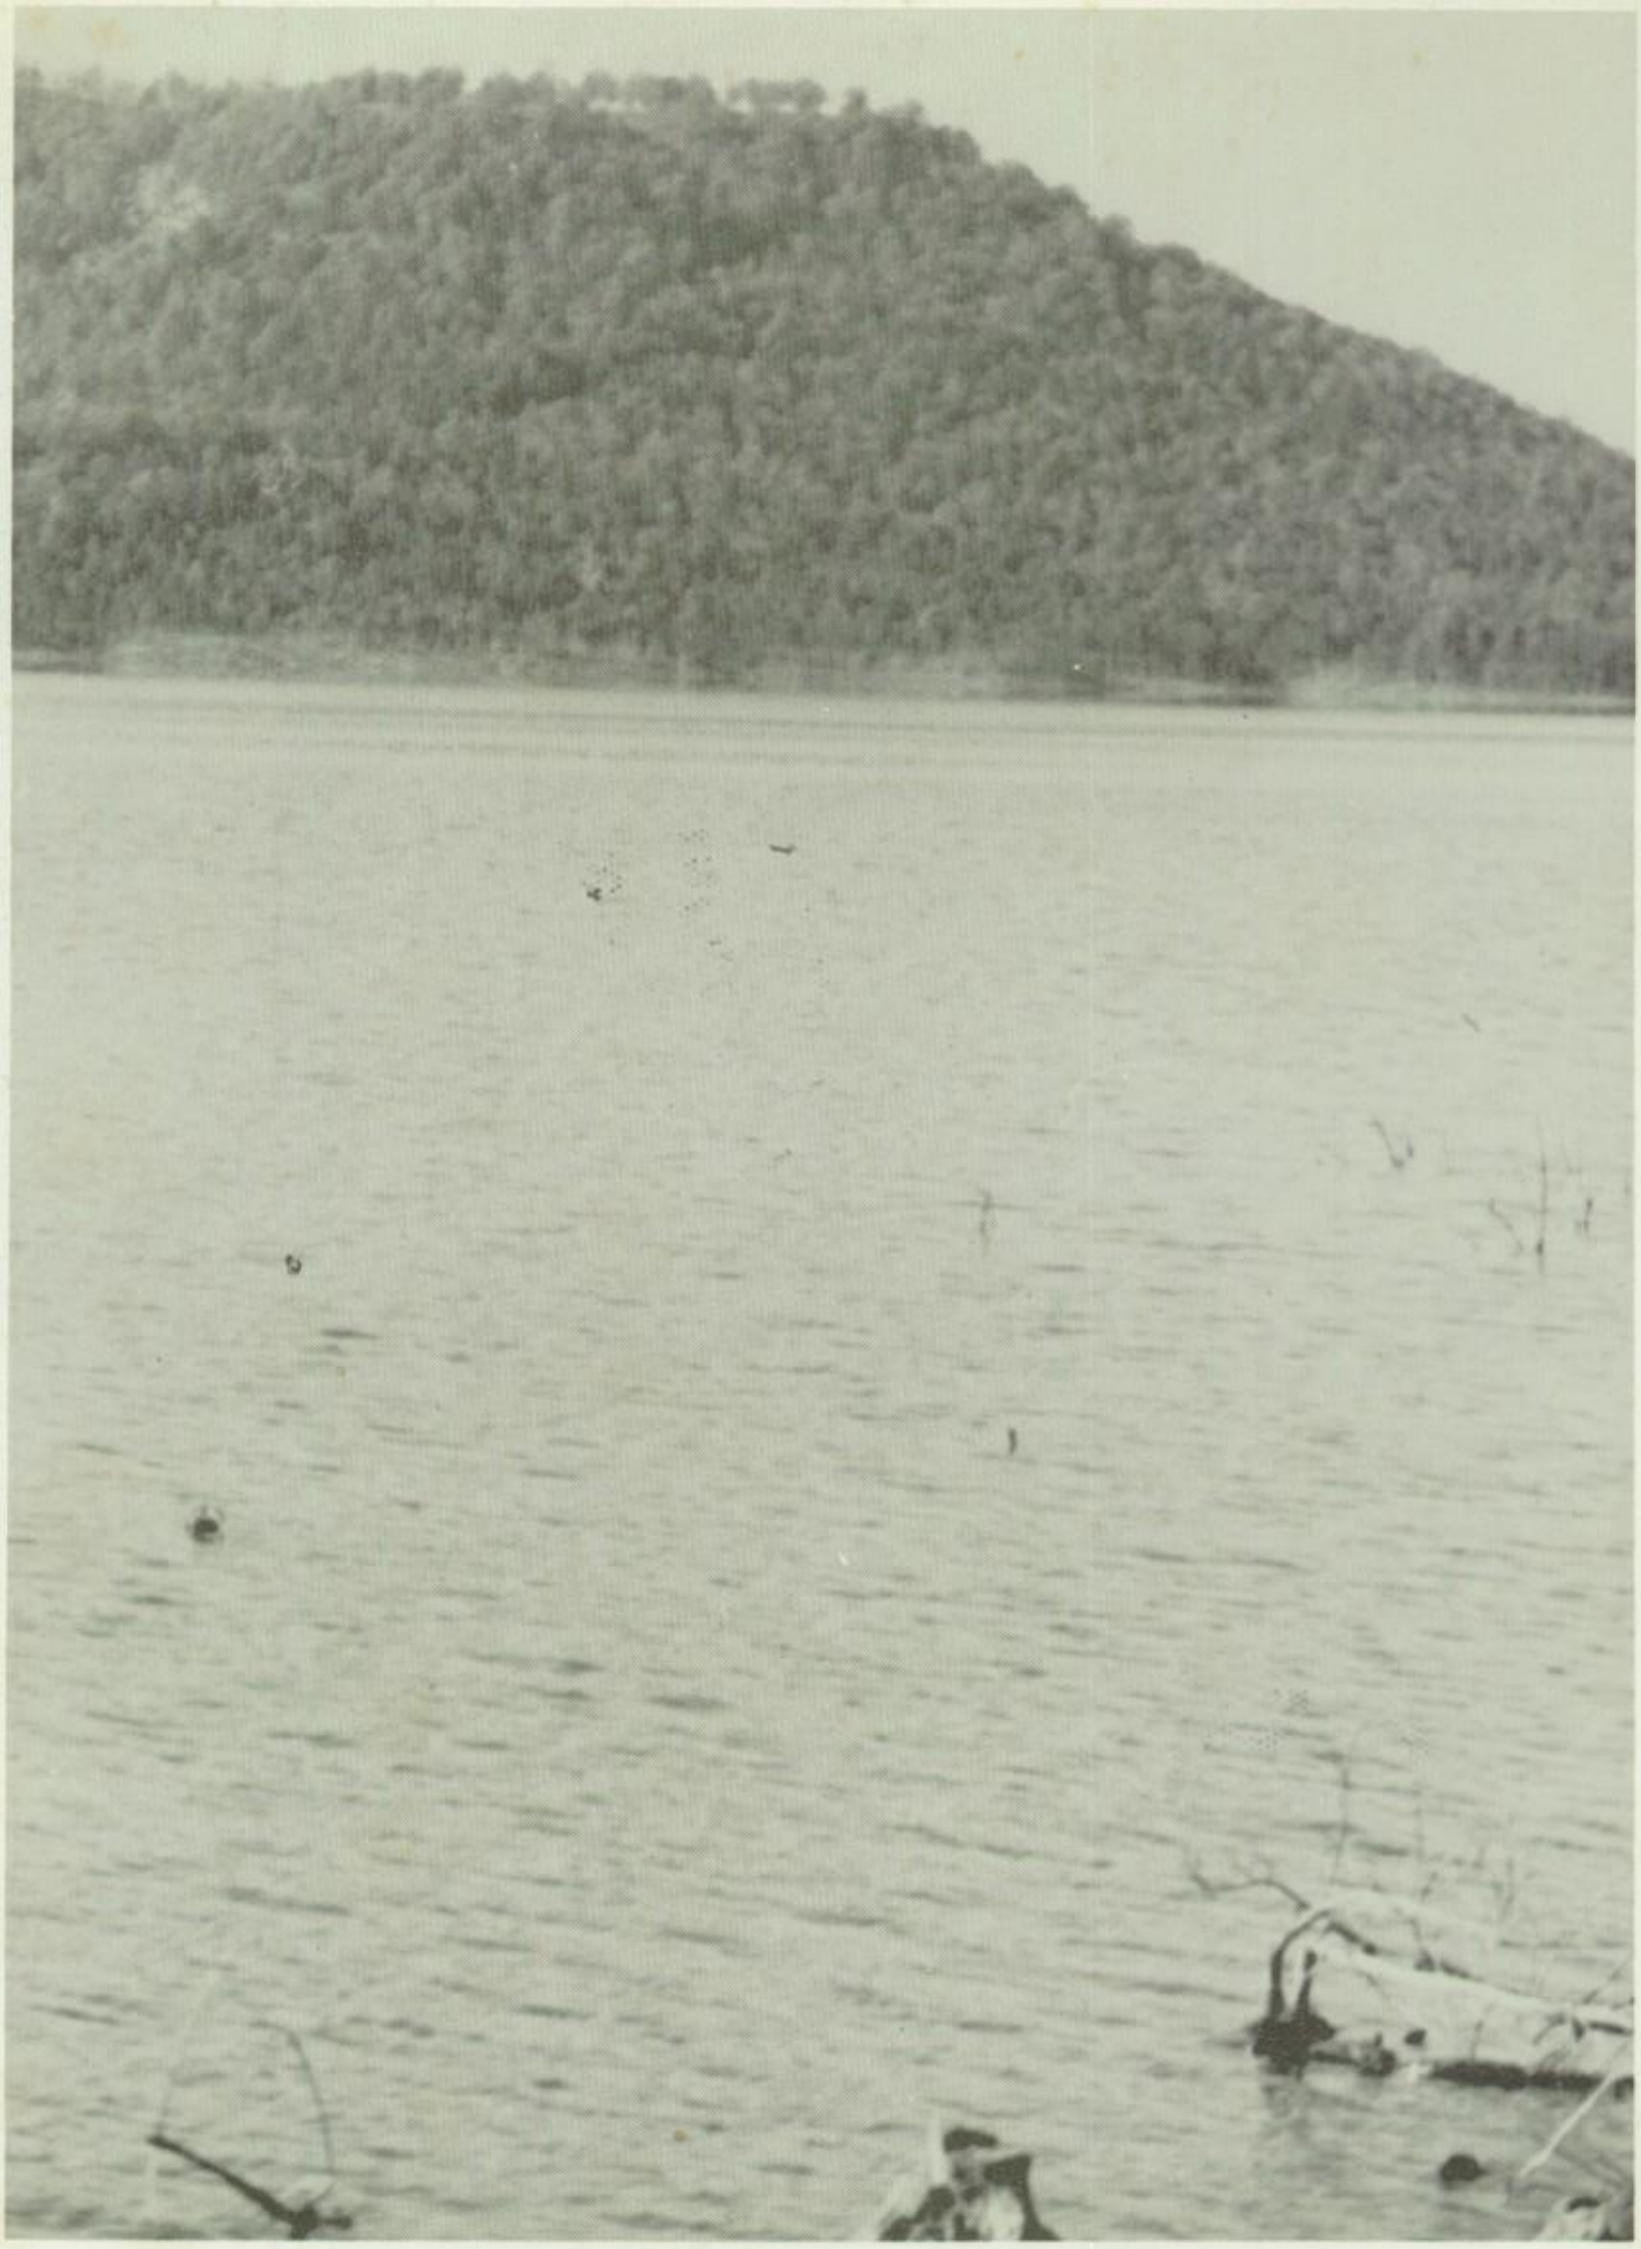
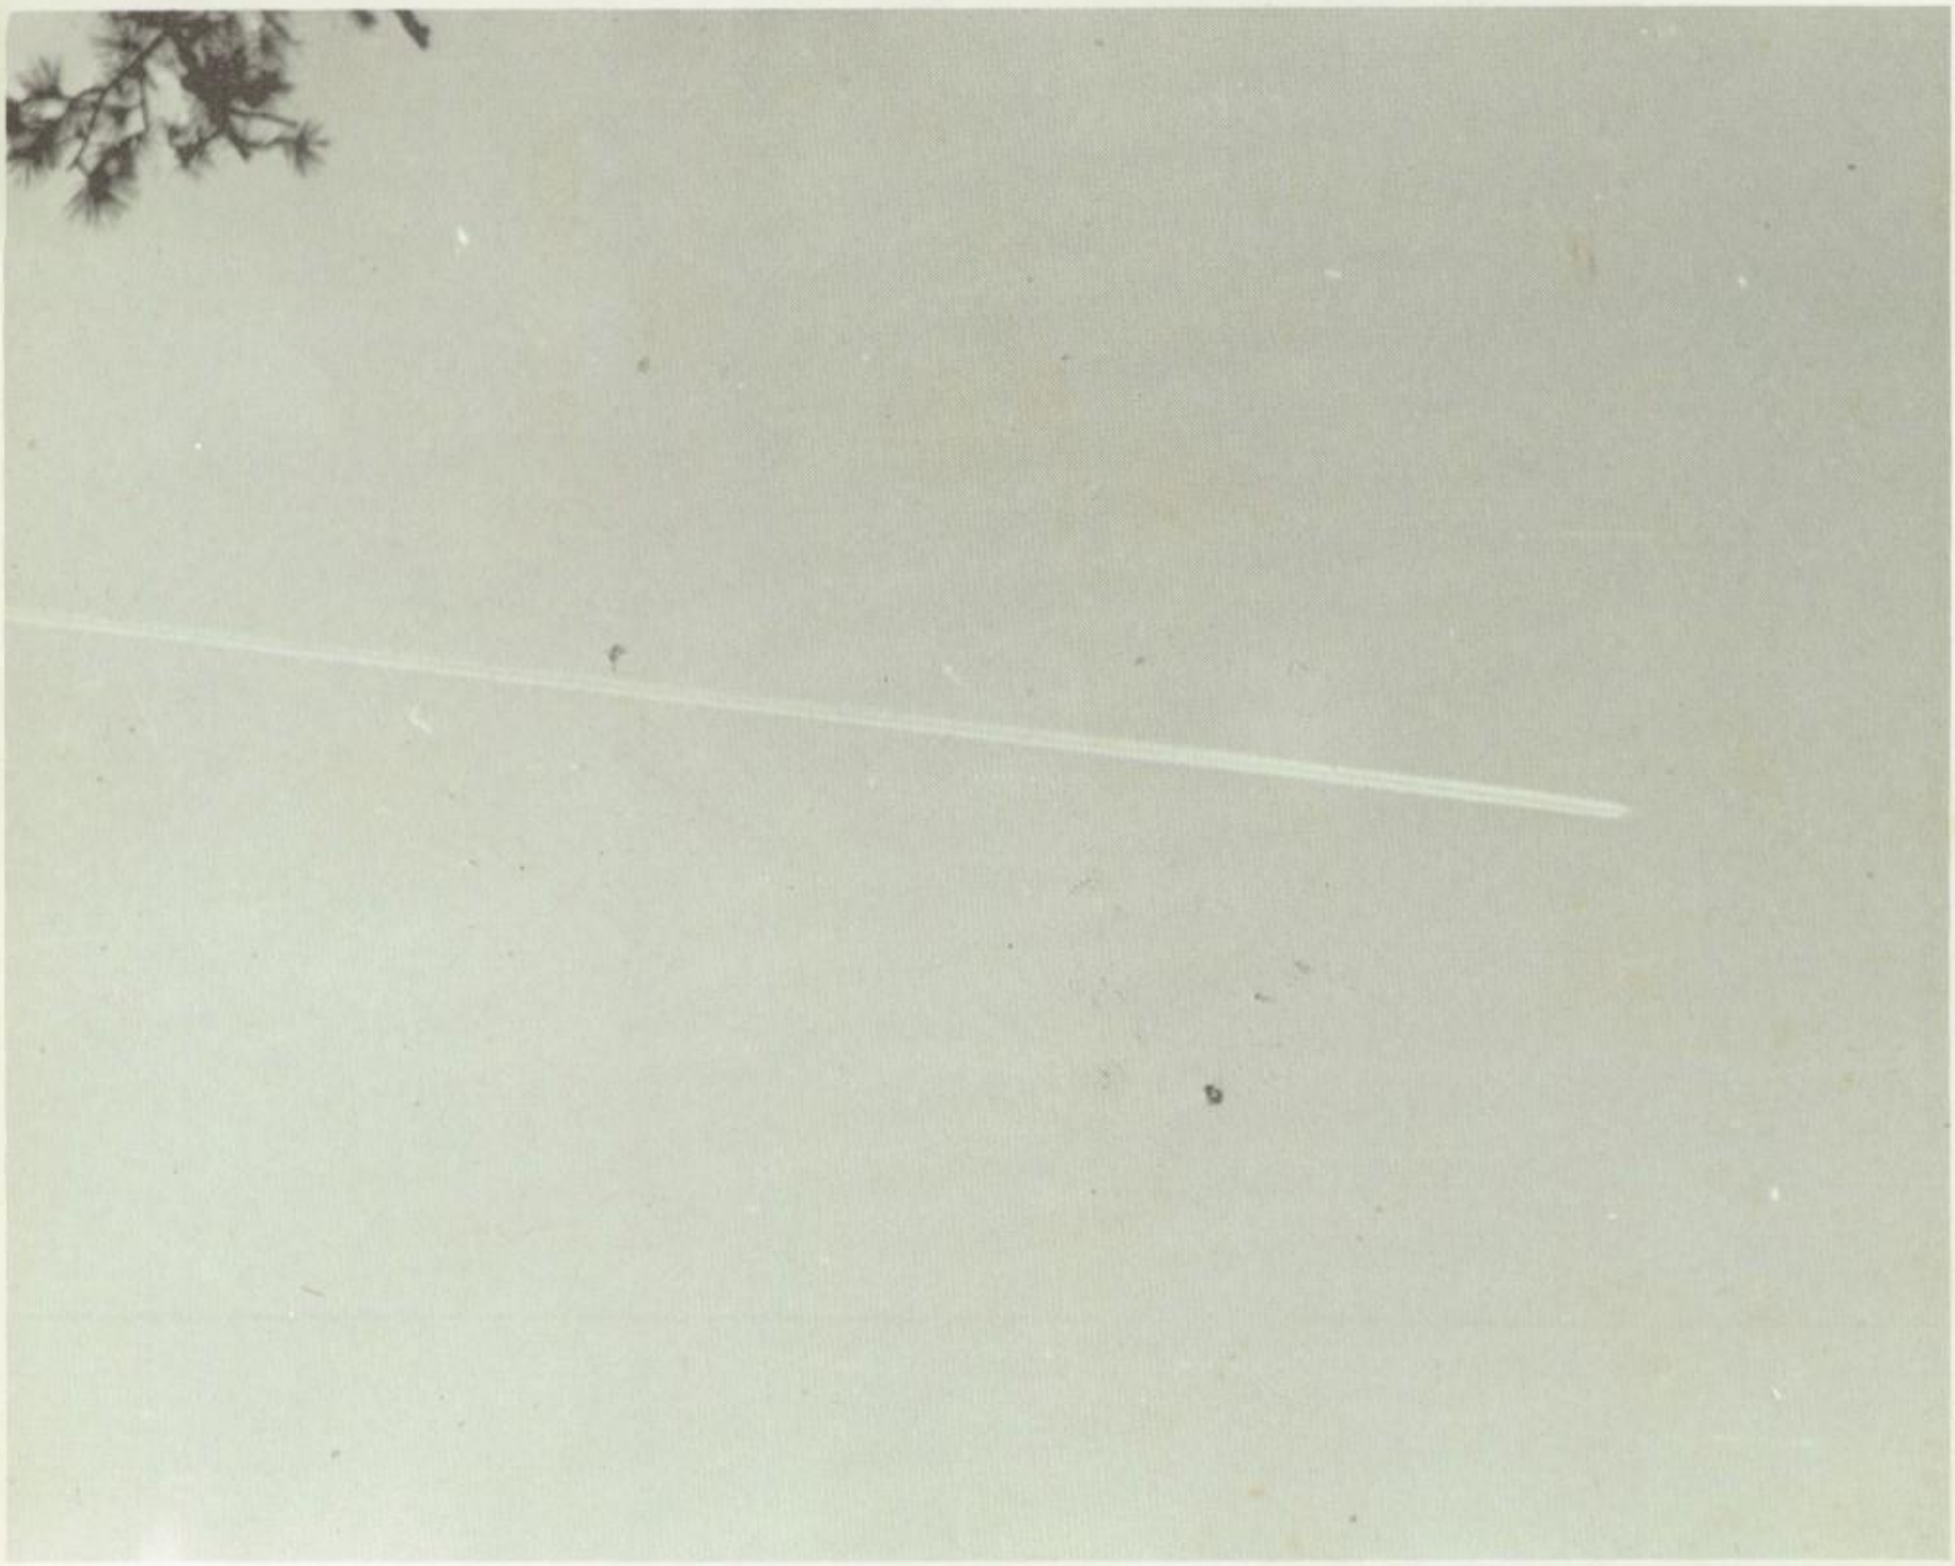
In Memoriam

Mr. Orvin "Snooks" Cathey

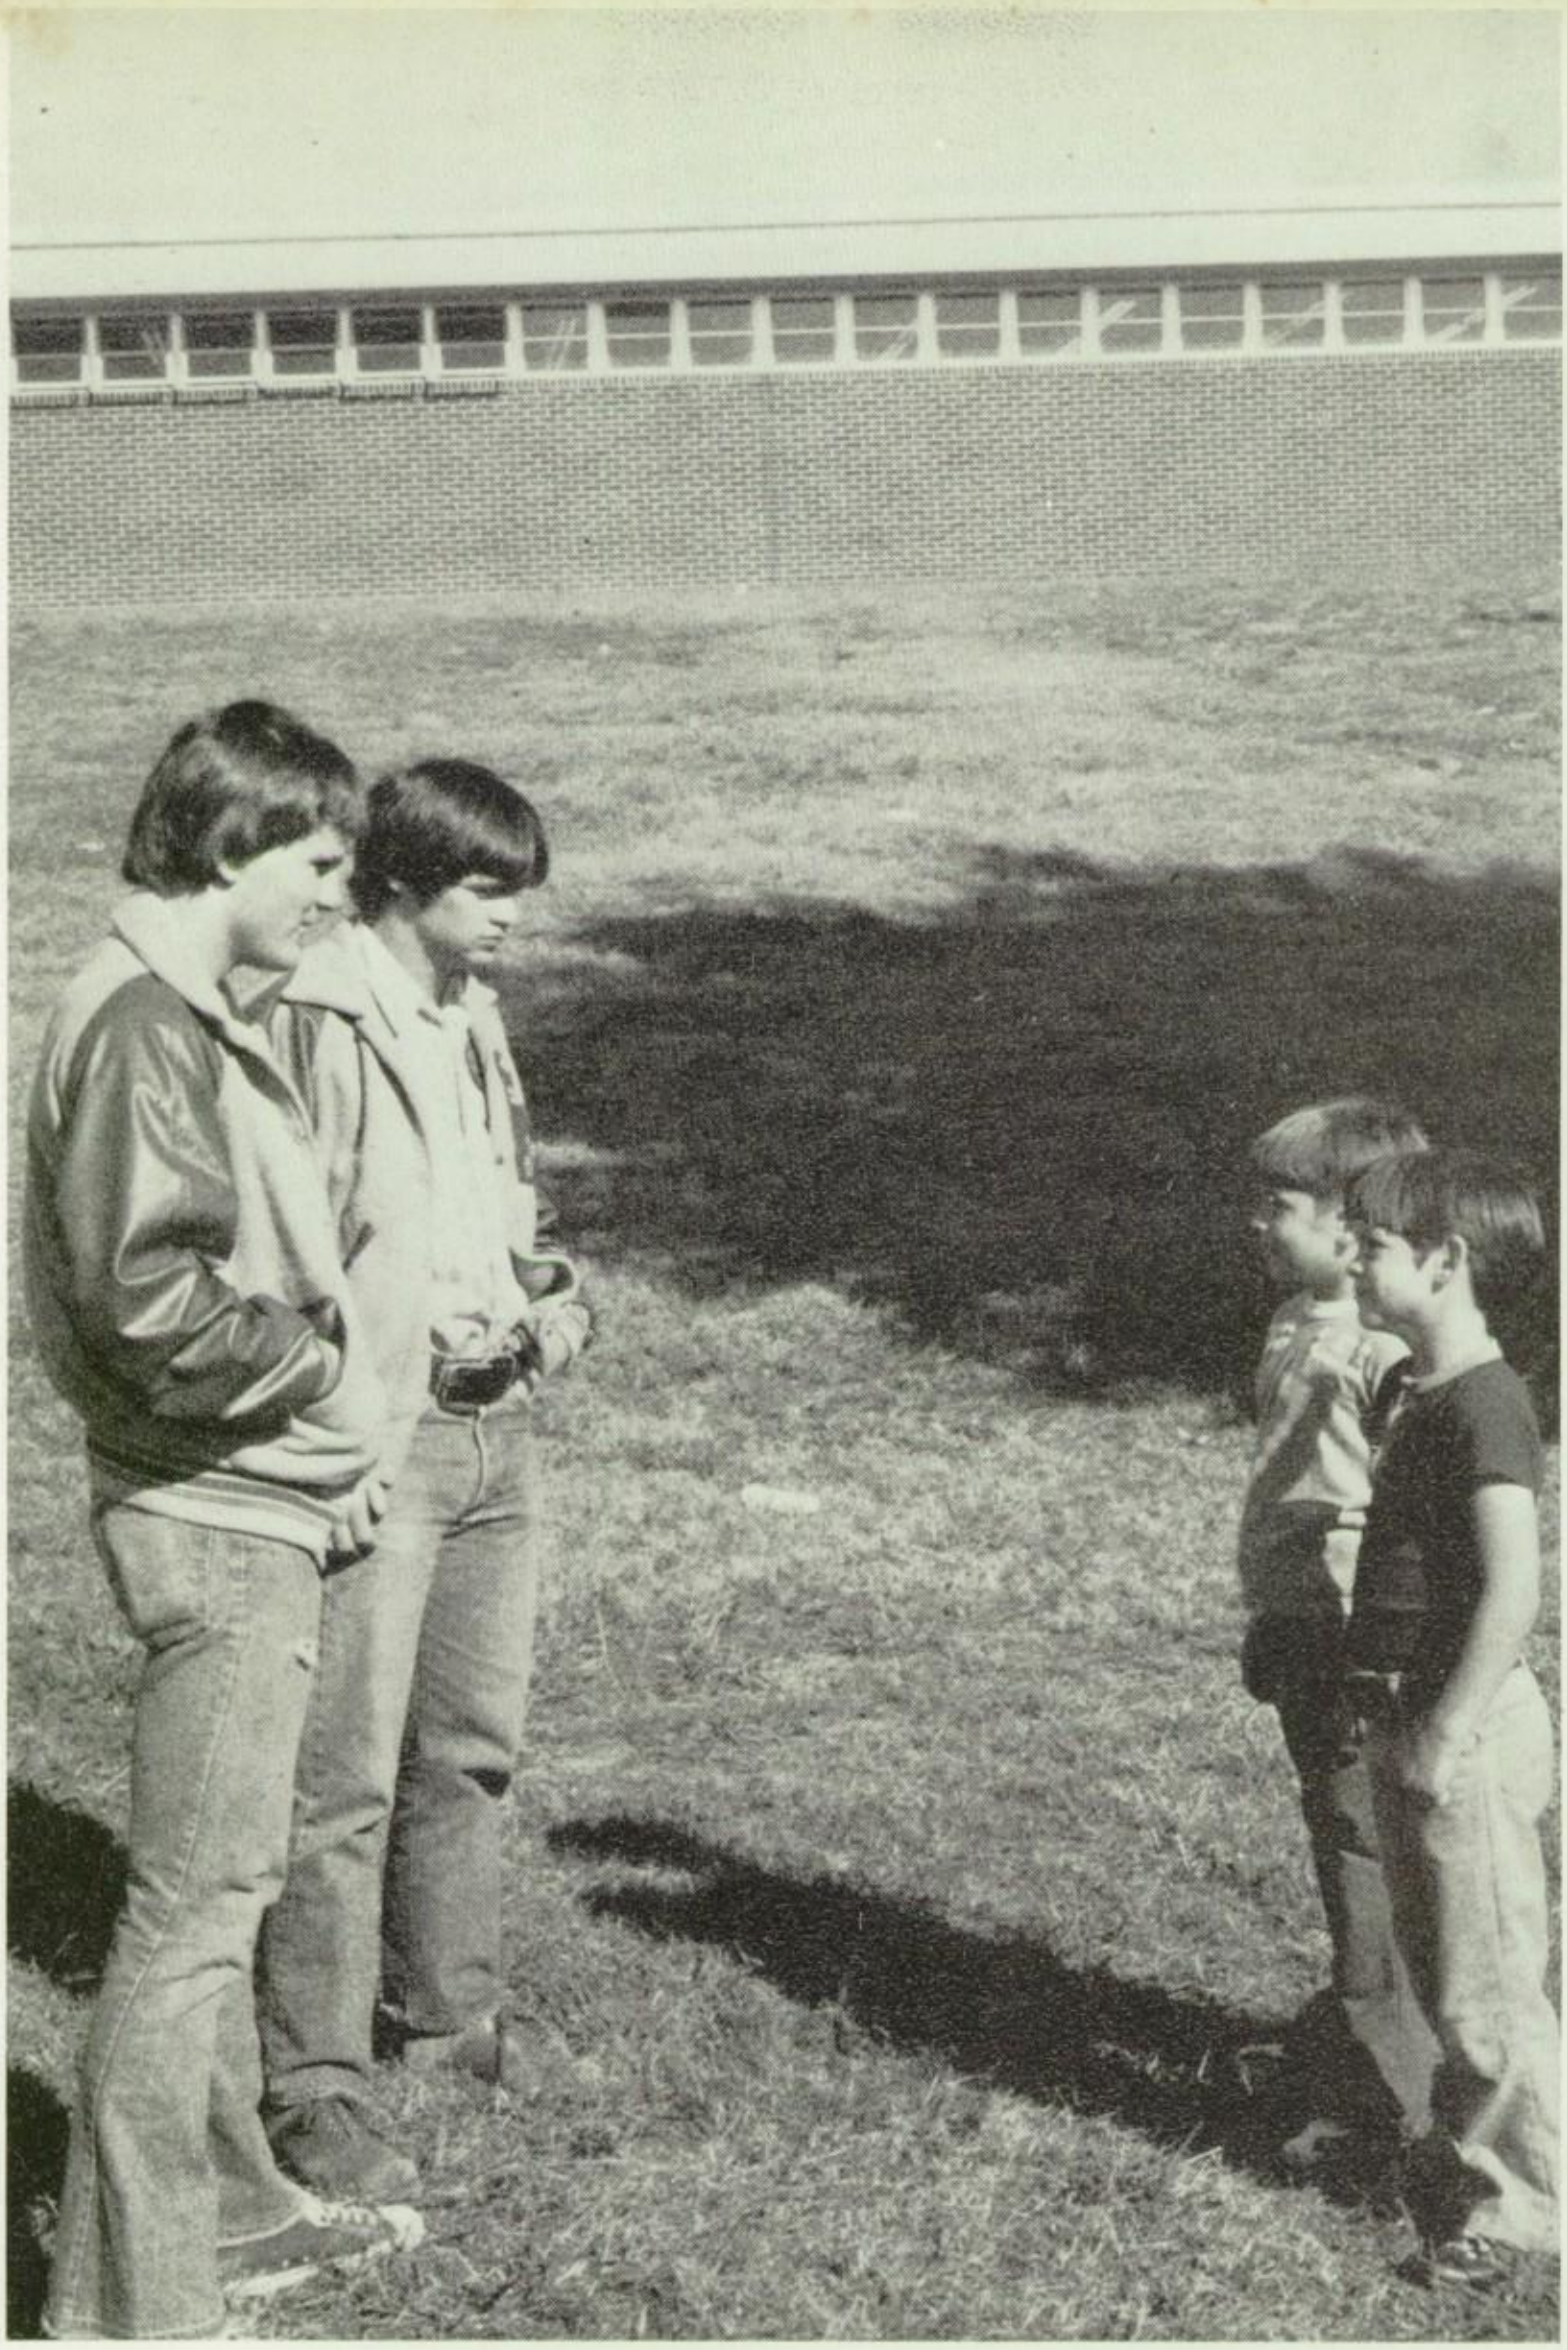


ON OUR CITIES WESTERN BORDER



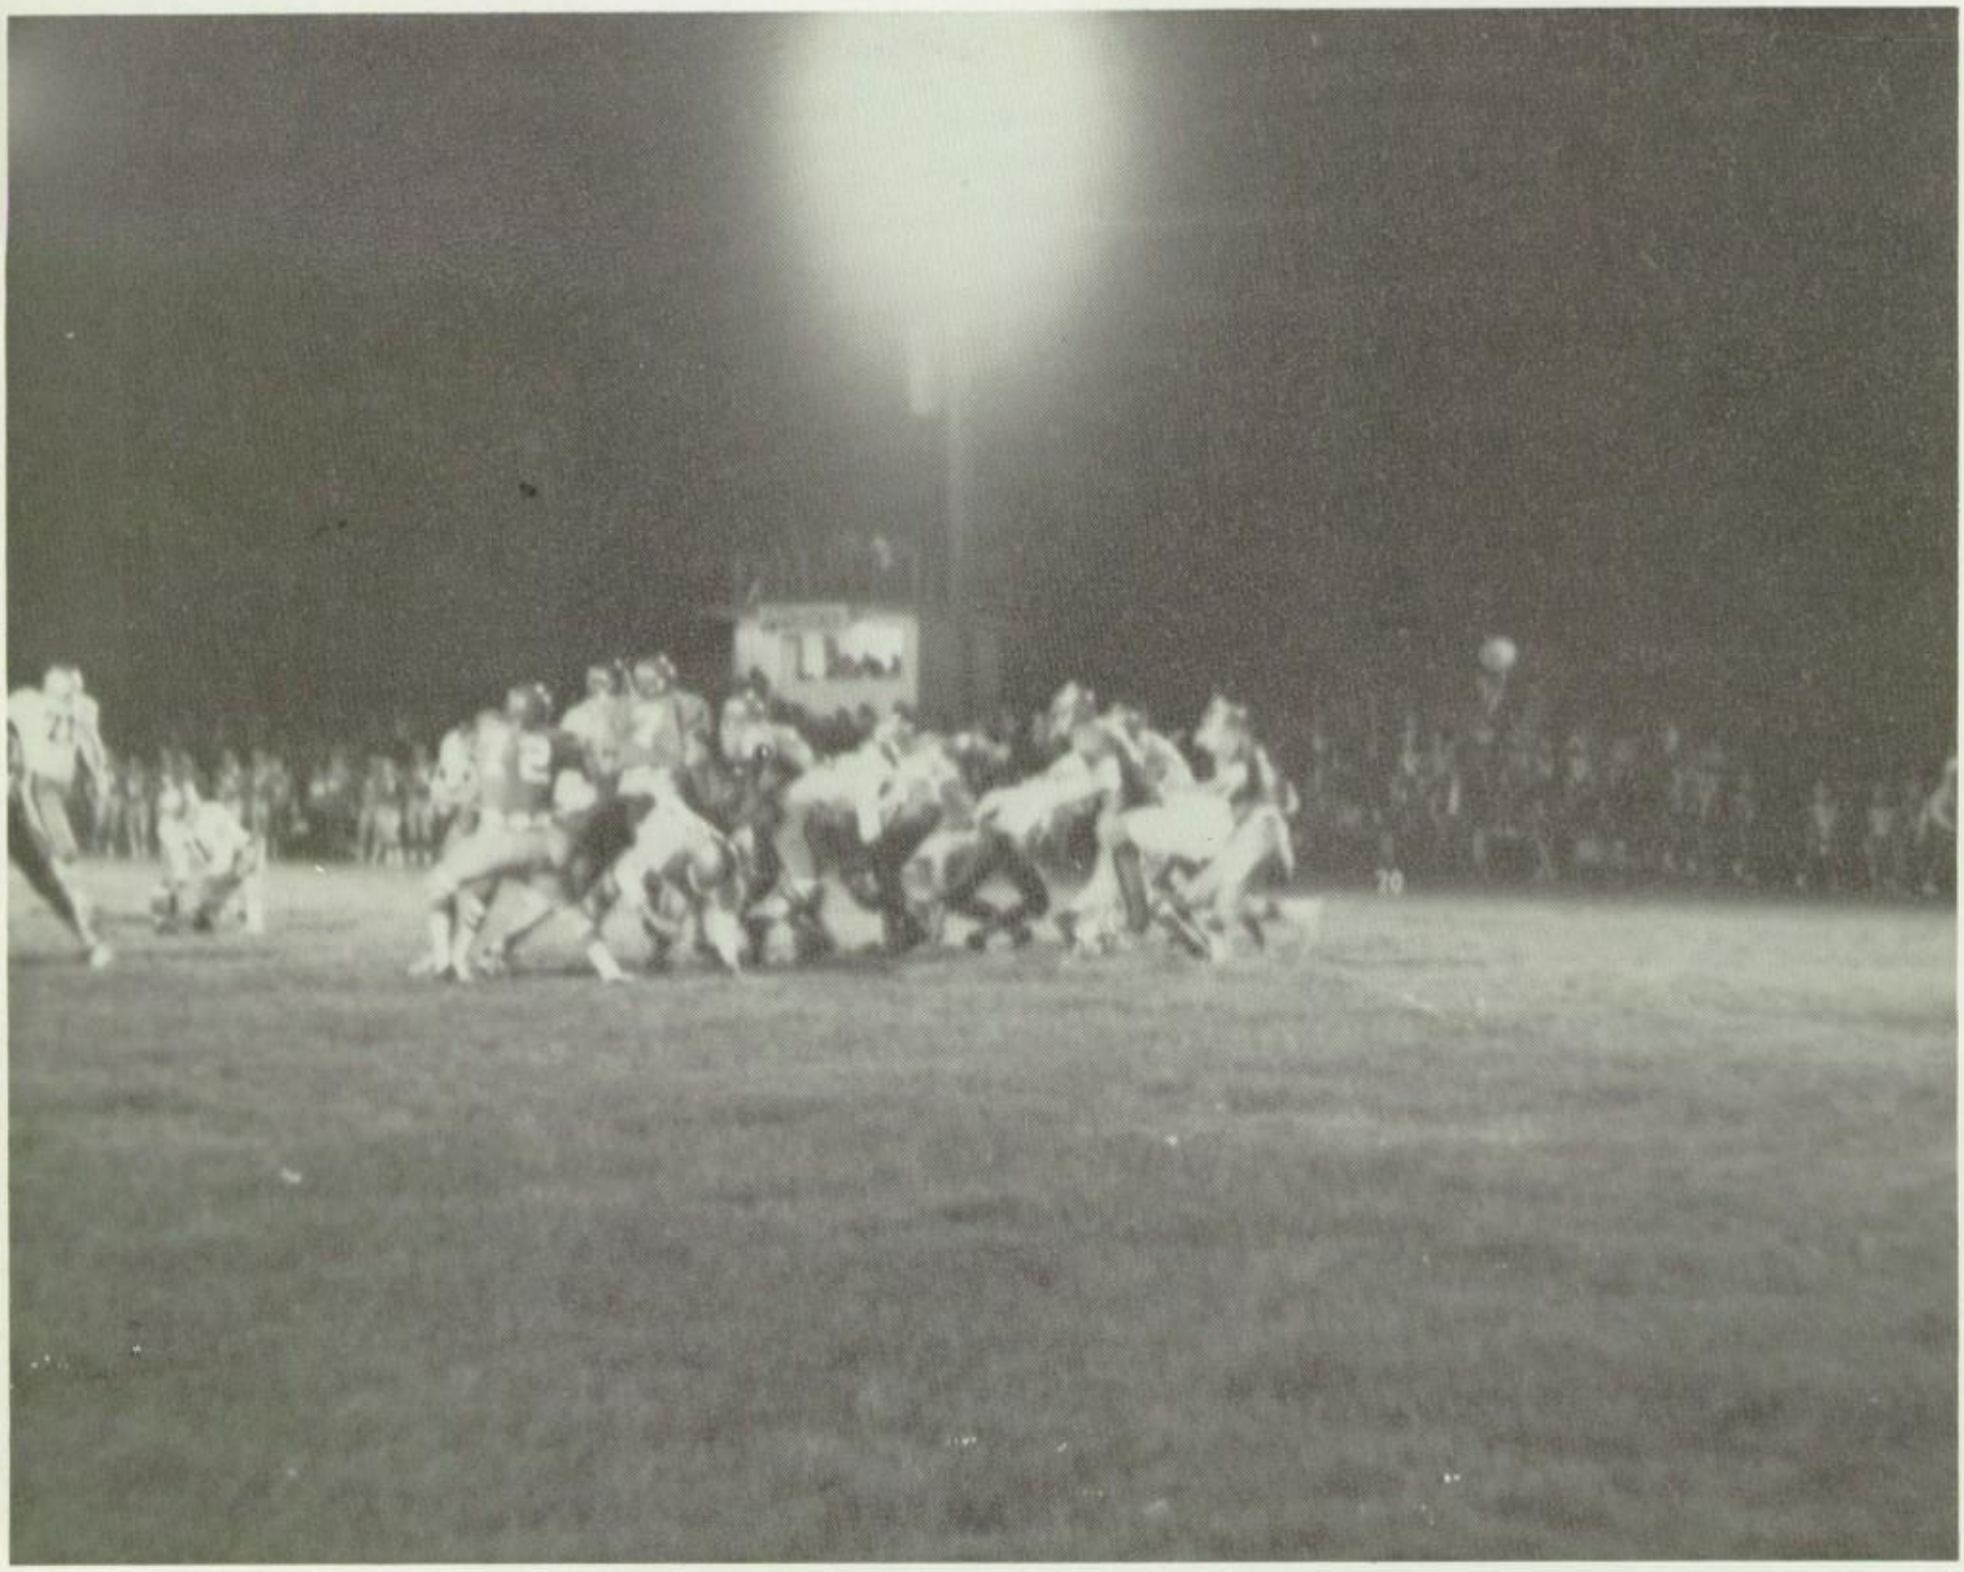
HIGH AGAINST THE SKY

PROUDLY STANDS OUR ALMA MATER



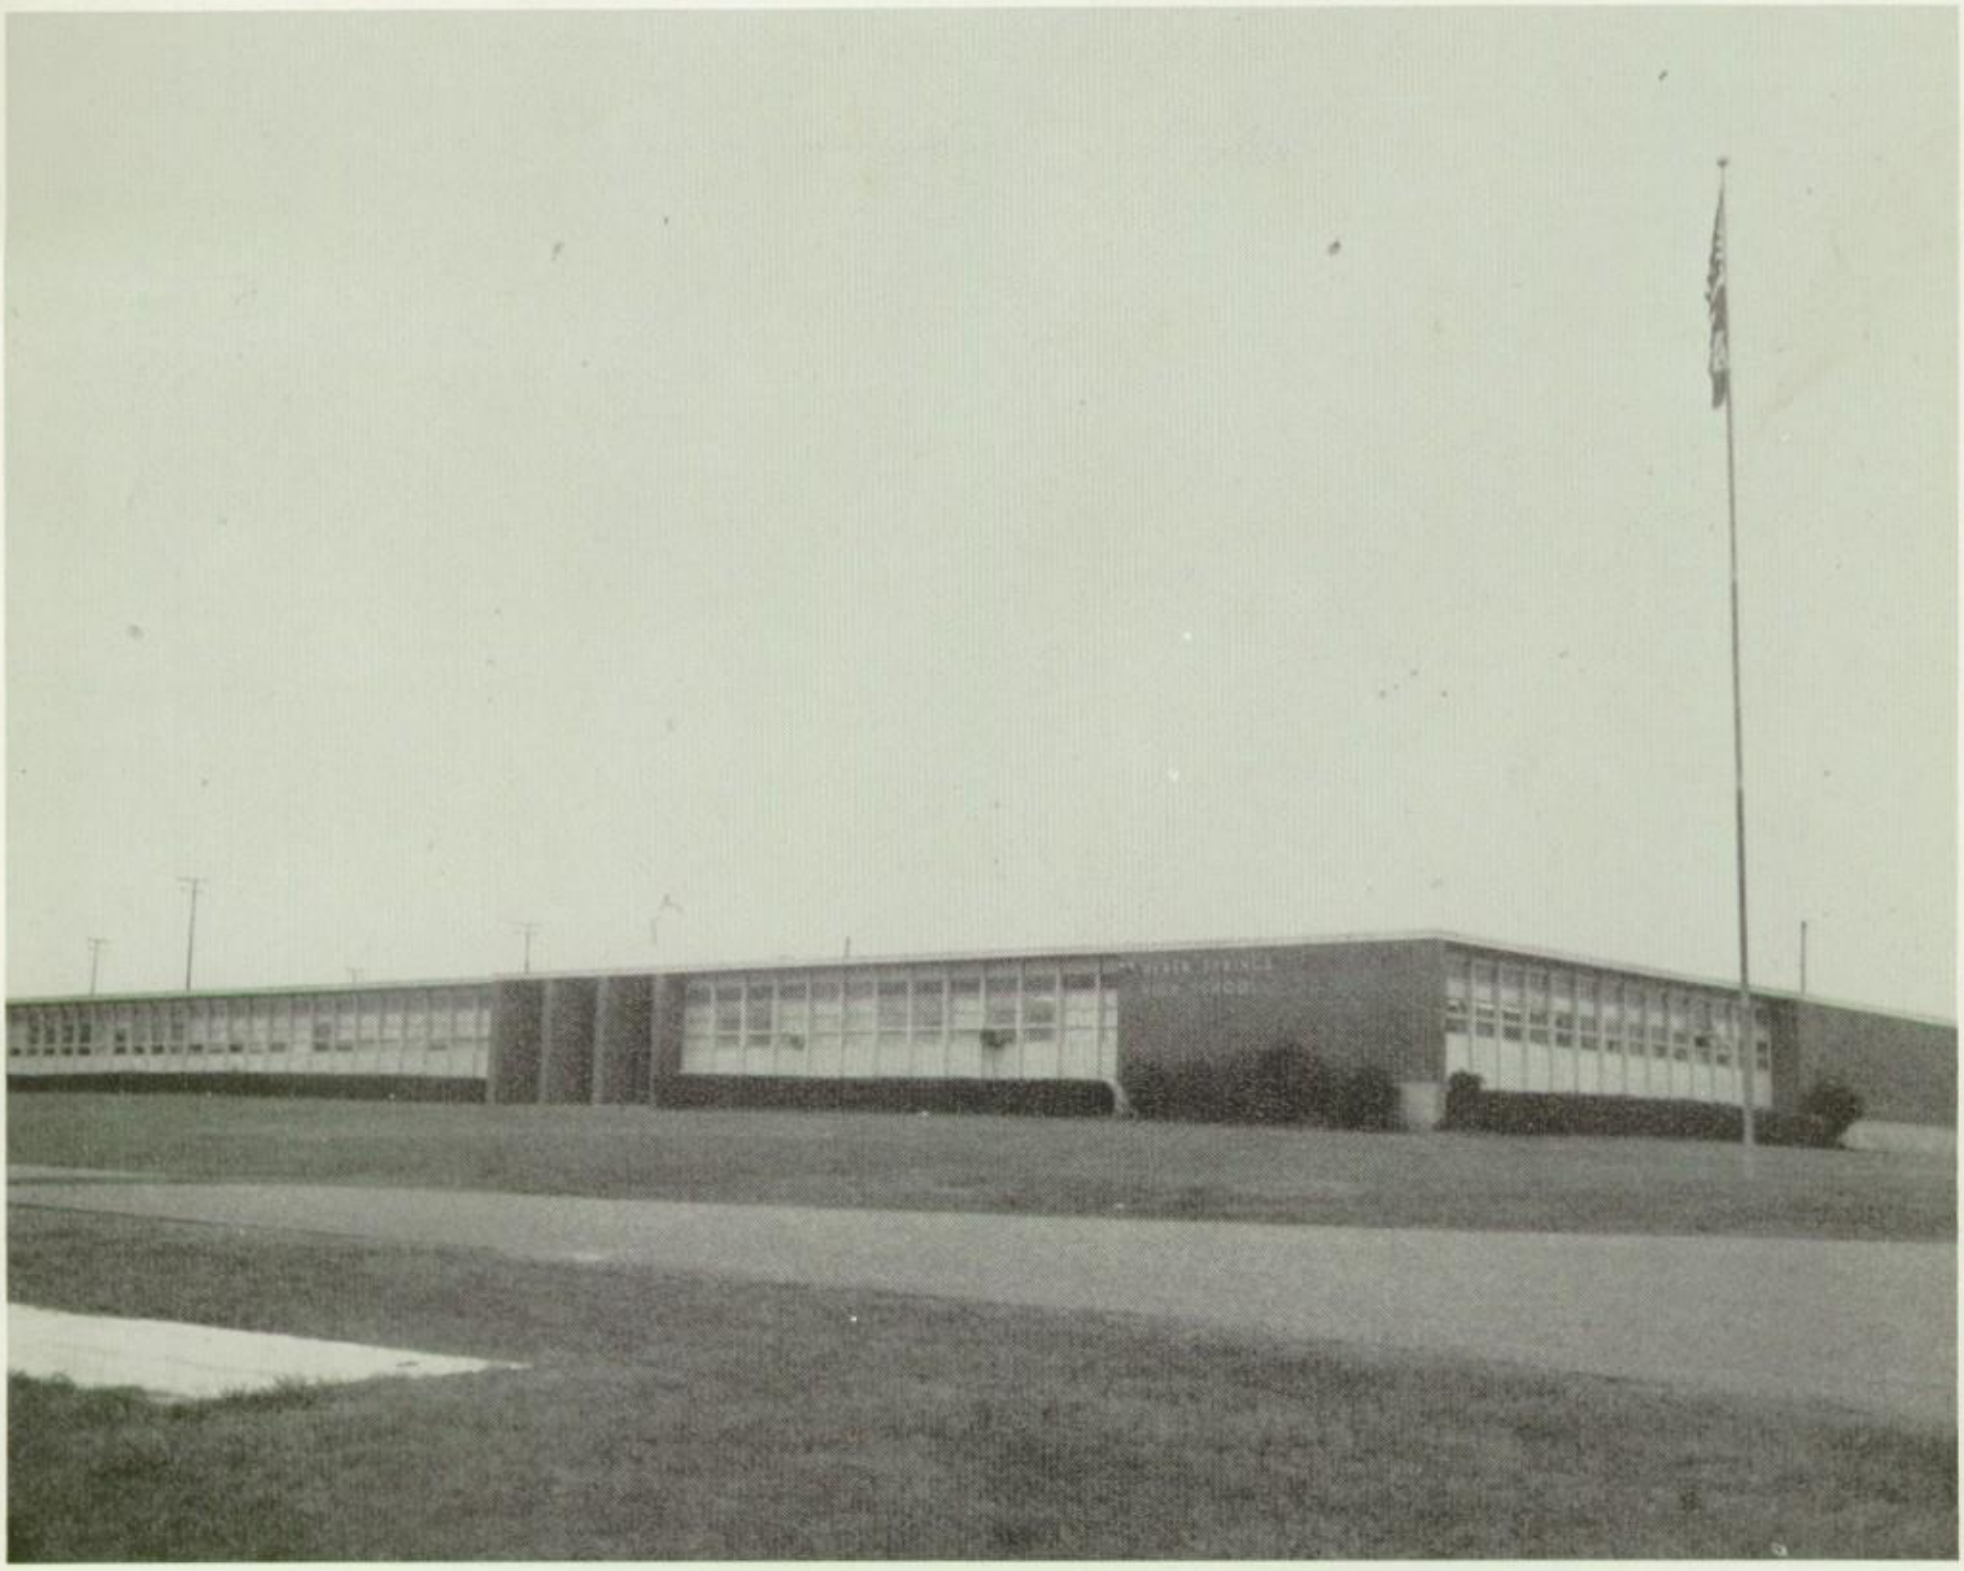
AS THE YEARS ROLL BY

FORWARD EVER BE OUR MOTTO



CONQUER AND PREVAIL

HAIL TO THEE OUR ALMA MATER



HEBER HIGH ALL HAIL!

"Dear Heber Springs High of Thee"

Passing, do you say to yourself or a friend,
"School is out; the place looks empty—forlorn,"
Forgetting when sounds of voices on the wind
On a gray, dreary day or a dull wintry morn
The radiance of sunshine seemed to lend —
And you felt life was good, and dreams were born;
If bricks could speak, would there be an end
To stories recorded on life's pages worn?
No, school is not out — within these walls
Speak voices of the past, clear and strong,
And memories dim the eyes.
School is never out — down these halls
Walks hope for the future; lifting a song
As brave as the flag against the skies ...

The superior seniors?

These students believe in getting to class on time.

These HSHS students are engaged in their favorite school activity.

The teachers also seem to enjoy loafing in the halls.

DeBBie,

I Like you alot and your a cute girl.

from Pam

Debbie ~~Tuy~~ luv,

Guess what?! I really don't think you should bother yourself by trying to guess because I know you'll never guess. Besides, if you read long enough you know I'll tell you. Just the same I'd like to know if you've figured it out yet. Ya know, I like to know something no one else knows so I don't think I'll tell you what. Yet, at the same time, I know and you know I'll have to tell you because I have to write something sensible even though it is 12:40 A.M. But on the other hand there is no written law that requires me to be sensible, is there? They can't kill me because capital punishment is outlawed, and They can't keep me in jail because they can't afford to feed me. Therefore the only one I have to fear is you. What can you do to me? You can make me sleep outside or take all the cover, you can make tomorrow perfectly terrible, you can refuse to take me home, you would haunt me ~~Saturday~~, or you would refuse to ride bicycles. So I'll tell you but you most promise, P-R-O-M-I-S-E, not to tell ~~anyone~~ them. Promise?

I Like You! and think you're sweet.

Your Luv.

Victoria

Debbie
